Terms and Conditions

1. **TERMS:** The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.
2. **LIABILITY:** Although every possible precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.
3. **A -** Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

B - All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

C - With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

D - When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

E - All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

F - Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

G - Shipment will be made as soon as released by the International Exposition, but at purchaser's risk of loss or injury after animal is bid off.

H - All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

4. **SHIPPING ARRANGEMENTS:** It is the obligation of the consignors and this association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals are cared for properly.

BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS AND CORRECT TRANSFER INFORMATION WITH THE SALES CLERK.

5. **INSURANCE:** Coverage may be secured at the time of sale.

ARROWSMITH TRAIL BLAZER x - An outstanding polled bull, Trail Blazer was Grand Champion at the State Fair of West Virginia against stiff competition. He is a large sized bull yet he retains tremendous quality throughout his entire body. His dam has consistently dropped calves with the same great character and quality and she is the heaviest milking cow in our herd. Trail Blazer's first calves back up our decision to reserve the right to retain one hundred ampules of his frozen semen. This bull is from our show string and may be seen in the International Show Ring.

Rugged Shorthorns can go anywhere on the range.

We purchased this cow along with a number of others in 1956 and since then she has produced two calves by Calrossie White Emblem and two by Bapton Copyright. Her eldest son by Calrossie White Emblem has been Grand Champion wherever shown this year and is owned jointly by Richardson Stock Farms Ltd. and Mr. V. A. Falloon. We are using him extensively in our herd. Her oldest son by Bapton Copyright is herd header for Lyle Robinson of Vermilion, Alberta. K A DINERO - We felt our Reserve Champion Sale bull last year was very popular and we're sure that K A Dinero will be as well received. Many people who attended the first National Progress Conference at Ames, Iowa will remember Rothney Justinian, the Calgary Champion. K A Dinero has the same substance, strength, power and style that made his sire so popular at Ames. His dam is from one of our oldest and most dependable families that was founded on an F. W. Hubbell bred cow. She is sired by Wheatland Adjuster 9th who also sired the dam of our last years Congress Reserve Champion. K A Dinero is a bull for the most critical buyer.

Progress Conference visitors see WSU steers, at Pullman, Washington.

MACBETH PAYMASTER 3D - This is one of the first calves of Morphie Paymaster, son of Calrossie Crocus Count. Paymaster was Reserve Junior Champion at Perth in 1958. Mathers is showing a son of Paymaster this year that was Reserve Junior Champion at Springfield in August. This calf was beaten by a recent importation by Mathers. Macbeth Paymaster 3d won second at the Missouri State Fair in August. Billy Anderson of Scotland who bred and showed his sire, saw this calf at our farm along with several other October calves, and raved about him until he left. Will be a real show bull for 1961.

ELDAK ROYAL FLUSH - Is a full brother to Eldak Ace High and Hallwood Seven Eleven. The sire of these bulls was the top selling bull of the 1952 International Sale at \$6000 and proved to be a great breeding bull in the J. A. Collier herd. With two bulls as good as these, sired by a bull as good as Clear Creek Gambler and out of the great A. J. Marshall bred cow, how can one doubt the breeding potential of these bulls - the gamble is truly taken out.

For more return per dollar invested - invest in young females like these.

SCOTSDALE NANETTE AUGUSTA - By Scotsdale Jupiter, Supreme Champion, Chicago International, 1956; Supreme Champion, Royal Winter Fair, 1955 and 1956. The only reason for selling this heifer is that we have a full sister retained in the herd and she will be shown this year as a Junior Heifer calf. The dam, Scotsdale Joyce Augusta was Reserve Junior Champion, Canadian National Exhibition, 1956 and she will be shown in the cow class this year at the Royal Winter Fair. Nanette Augusta is bred to Scotsdale Planet. Scotsdale Nanette Augusta's full sister was 1st prize Senior Heifer Calf, 1960 C.N.E.

Uniform, correct steers, such as these are feeder and packer favorites.

This heifer will speak for herself in any circle of competition and has stood at the top end of her class in all the Canadian and Northwestern Fairs this summer. She will calve to the \$20,000 Shirgarten Ranger in December. These Windsor Belles are our greatest producing family and should prove a real investment.

STRATHORE AUGUSTA EILEEN - A beautifully bred Saltoun Augusta, with Beaufort Bulldozer for one grandsire and Louada Elation (sire of top selling female, 1956 International) the other. Saltoun Augusta 8th, imported, proved a top breeding cow for us and was out of a direct daughter of Cruggleton Perfect. You'll like this heifer's true "Bulldozer" type.
